Use with students enrolled into the program between 3/1/08 and 1/31/09 or until the Department of Education provides the 2009 Low Income Table.

The term "low-income individual" means an individual whose family's **taxable** income for the preceding year did not exceed 150% of the poverty level amount.

The figures shown under family income represent amounts equal to 150 percent of the family income levels established by the Census Bureau for determining poverty status.

Note: Please be sure to report **taxable** income on your application.
