

MASTER OF BUSINESS ADMINISTRATION (HYBRID)

The **HYBRID Master of Business Administration (MBA)** is for those who want to develop their leadership potential through hands-on activities, increase problem-solving skills through strategic thinking activities and hone interpersonal skills through networking opportunities.

Our AACSB-accredited courses are taught by accomplished business professionals who engage students in the modality of their choice (online, in-person or a little of both). When **only 2.5% of adults in Alabama hold an MBA** or higher, it's time to set yourself apart and **add another \$20,000 a year to your salary**.

Graduates of the UM MBA program are prepared to pursue entrepreneurial endeavors or lead established organizations — from small family-owned businesses to Fortune 500 companies!
